Orana Catholic Primary School

Respect, Generosity, Excellence

Orana Catholic Primary School is a Christ-centred community of engaged learners inspired to actively live Gospel Values.

Mission Statement

To provide a total education within a just and harmonious environment.

This statement of intent declares our core purpose as a school. As a primary school, operating in the Australian context, we are committed to equity and excellence. At the same time as a Catholic school, we are committed to ensuring that every day is a new adventure for our students, to being a safe and welcoming community and to being a place where all feel a sense of belonging. We work in partnership with parents to bring about this mission.

Vision for Learning

NEW DAY NEW ADVENTURE

This Vision for Learning is based on the belief that successful learning is intrinsically linked to student wellbeing within a culture of high expectation.

Each day there are opportunities for a new start within this community of care.

We contribute to a culture where learning is considered an adventure and is student centred, authentic, collaborative and innovative.

Gospel Values

At our school, each person is an integral part of a vibrant learning culture where everyone shows respect, gives generously and practises excellence.

RESPECT is evident when we bring honour to ourselves, our families and our school.
GENEROSITY is evident when we are welcoming, inclusive and promote a sense of belonging.
EXCELLENCE is evident when we do our best to develop our talents and share them with others.

Learning Principles

The CHALLENGE principle inspires learners to question their own thinking, extend their capabilities and deepen their passion for learning.
The ENGAGE principle empowers learners to actively participate in safe and stimulating learning environments that provide multiple and diverse opportunities for success.
The CONNECT principle fosters positive and supportive relationships that value diversity, recognise uniqueness and sustain authentic learning.
