

When I go to
OSHC

When I go to OSHC I will hang my bag on a hook outside of OSHC

I can go to the toilet. These are the same as the ones when I go to Science.

*There are many grown-ups that can help me
at OSHC. I can ask them for help.*

When I am at OSHC I can play outside with my friends or sit for something to eat.

When I am at OSHC I can play inside with my friends.

I can do:

- puzzles
- play in the doll house
- drawing and craft
- watch a movie
- board games
- and lots of other things that make me happy

I can play outside with my friends. I can even go on the spiderweb or the playground.
