CHILD CARE SUBSIDY (CCS)

The Child Care Subsidy (CCS) is a government payment that helps families with the cost of approved child care, including Before School, After School, and Vacation Care. Orana OSHC is an approved CCS provider, meaning eligible families can receive fee reductions directly through their account.

To find out if you're eligible for the Child Care Subsidy, visit the Services Australia website or log in to your myGov account and link it to Centrelink. From there, you can complete the online CCS assessment, check your eligibility, and manage your subsidy details.

The amount of CCS you may receive depends on:
- Your family's combined income,
- Your activity level (such as work, study, or volunteering), and
- The type of child care you use and your child's age.

When enrolling at Orana OSHC, please provide both your Customer Reference Number (CRN) and your child's CRN so we can confirm attendance and ensure your subsidy is applied correctly.
