When I come to OSHC, I will hang my bag up on a hook.

I can go to the toilet. These are the same as the ones I go to when I'm at Science.

I can sit down and have something to eat.

When I am at OSHC, I can play inside with my friends.

I can do:

- beading
- board games
- drawing and craft
- play in the home corner
- watch a movie

and a lot of other things that make me happy.

When I am at OSHC, I can play outside with my friends.

I can :

- play in the sandpit
- ride on the scooter
- play ball games and climb on the spiderweb.

Here's what a few of our students enjoy doing at OSHC.
